Any garden member may address the Board when recognized by the Chair. The Board members or other audience members may not engage in conversation or dialog with the membership speaker. A member may say they will wait to talk on a specific agenda item until that item comes up on the agenda and be so noted by Martha when it is your turn to make your statement. If your concern involves a person in the garden, please submit an email to the board president, Martha O'Rourke, confidentially and the item would be handled in closed session and not in a public meeting.
